WELCOME

Getting married at Three Blue Ducks Byron is about creating a day that feels relaxed, generous and genuinely you. Long tables under the trees, seasonal food shared with the people you love most, and a celebration that unfolds naturally from afternoon into evening.

Set within The Farm, our Byron venue offers a sense of space and ease. Menus change with the seasons, produce is fresh and thoughtfully sourced, and the atmosphere is warm, open and unpretentious. It's the kind of setting where conversations run long, laughter carries, and guests feel instantly at home.

We believe the best weddings don't feel staged or over-produced. They feel like the best gathering you've ever hosted, brought to life by great food, thoughtful hospitality and a beautiful place to celebrate the best day of your life.

YOUR CEREMONY

The macadamia orchard, located just a short stroll from the restaurant, offers a beautiful setting for ceremonies amongst the trees. Part of the working farm, the space feels open, natural and quietly special, making it ideal for weddings and intimate celebrations.

Several wet weather alternatives exist, from fully enclosed spaces to semi-open areas that still feel light and connected to the surroundings. This flexibility allows ceremonies to go ahead smoothly, whatever the weather.
